AGRA's Run of the Month for May 2007 has been awarded to Queensland super stayer Miss Brook for her breathtaking track record performance in the Best 8 BCC Touch Competition Stake over 710 metres at Albion Park on May 3rd.

Miss Brook had only returned to racing on the 29th of March after serious leg injuries had kept her sidelined since October last year. She looked back to her best after back to back wins in the Group 3 Lizrene Classic at Sandown in late April. Back at her home track at Albion Park the following week she produced the run of month. Coming from sixth early she weaved her way through the field to get to third then railing brilliantly she raced away to win by eight and half lengths posting new figures of 41.59. The record was set by Lucy's Light at 41.60 on 13th of July 2006. It had previous stood at 41.61 when set by Boomeroo in the final of the National Distance Championship in September 2002.
