## AGRA GREYHOUND RACING BREEDING RANKINGS END JUNE 2015

Listed below are the breeding rankings for June 2015. The ranked positions are determined by a points system applied to group races on a sliding scale of points first to eighth. The sires have a different scale of points to the dams and the systems have had a lot of time spent on them and all concerned are happy that the rankings reflect a fair and accurate assessment of a sire or dams position in relation to Group racing and Group racing only.
