## AGRA GREYHOUND RACING BREEDING RANKINGS END MARCH 2014

Listed below are the breeding rankings for March 2014. The ranked positions are determined by a points system applied to group races on a sliding scale of points first to eighth. The sires have a different scale of points to the dams and the systems have had a lot of time spent on them and all concerned are happy that the rankings reflect a fair and accurate assessment of a sire or dams position in relation to Group racing and Group racing only. On the Sires table Collision has taken over the lead with 417 points from Where's Pedro on 391 and Bombastic Shiraz 286. The dams table has Horizon Bale on top with 16 from Grey's Destini 15, and Kingsbrae Di, Key Exit on 13.
