His next performance was a stunning run in the heat of the Melbourne Cup when he unusually jumped to the front and racing away to win in the fastest time of the night a brilliant 29.05.

With Fernando Bale seeking an unprecedented ninth group 1 title in what was widely touted to be his final start, Fernando Bale (\$1.40) stunned everyone when for the first time since July, he missed the start and was slowly away from the boxes. However he soon showed his trademark dazzling turn of foot, and with a huge roar from the crowd, charged through the first turn four-wide before crossing the field and leading by three lengths entering the back straight.

Dyna Double One closed in on Fernando Bale turning for home only for the champ to respond and in a thrilling run to the line, Dyna Double One finally nabbed his rival to land the world's richest greyhound race by a neck in a new race record of 29.17.

"I've always said that Double One will show what he's capable of one day and he did it in the biggest race in the country," said Andrea Dailly
