AGRA GREYHOUND RACING BREEDING RANKINGS END JUNE 2014

Listed below are the breeding rankings for June 2014. The ranked positions are determined by a points system applied to group races on a sliding scale of points first to eighth. The sires have a different scale of points to the dams and the systems have had a lot of time spent on them and all concerned are happy that the rankings reflect a fair and accurate assessment of a sire or dams position in relation to Group racing and Group racing only. On the Sires table Collision still leads with 730 points from Where's Pedro on 561 and Bombastic Shiraz 390. The dams table has Off Springer the leader on 24 from Amity Bale 18 then Kingsbrae Di & Horizon Bale on 17 points from Key Exit and Grey's Destini on 16.
