“Double One” Brilliant again in the Brisbane Cup Heats

By Neil Brown

Melbourne Cup winner Dyna Double One was again superb in his heat of the Brisbane Cup last night at Albion Park. Beginning brilliantly from box three the heat was all over in three strides as the superstar made the handy field look second rate racing away to a six length win in the fastest time of the night 29.53, two hundredths of a second outside his own track record for the 520 metres. After a smart 5.54 early and 17.06 to the back he stormed home in a scorching 12.47. The next best was 12.69 returned by Flash Reality.

It was his explosive last section at Sandown that won him the Cup over his arch rival Fernando Bale. A repeat of his heat win would most certainly add his second Group 1 in as many starts. However at Albion Park in the final of the Group 1 Winter Carnival Cup he missed the start badly after breaking the record in his heat, on that occasion he put up a sensational performance to finish second to Fabulous Storm. That was in July and the question is perhaps is Dyna Double One a better dog now, more mature a little more settled and at almost three years of age at the peak of brilliant career.

Next best heat winner on times was New South Wales visitor Old Spice, he scored an impressive win first up on the track in 29.76 for trainer Terry Priest from Sawyers Gully in the Hunter Valley.

Flash Reality made another Group 1 for premier trainer Tony Brett. The outstanding chaser made it 15 wins at Albion Park when he led all the way from box eight in 29.98. Given he has recorded a 29.58 win on the track and it was only his third run back after an eight week layoff and first over 520 he has some improvement in him for sure.

The other heat winners were Chatsworthy 29.82, Fantastic Spiral 30.14, and Cervelo in 30 even. The fastest two seconds to make the final were Simpatico and Cyndie's Magic.

Next week's final looks a high quality race with all eyes on the start with punters certain to rally around Dyna Double One trying to add another \$100,000 to the \$700,000 he has already put in the bank.
