# **Brockie's Bold Cup Statement**

***By Adam Dobbin Greyhound Recorder***

Zambora Brockie – Australia's premier greyhound – will start a warm even money favourite for Friday night's Group 1 Tab Melbourne Cup Final (515m) at Sandown Park after drawing box three for the world's richest greyhound race.

Installed as pre-post favourite for the \$420,000 to-the-winner series when betting opened way back in July, the Anthony Azzopardi-trained son of Nitro Burst was simply brilliant in his heat romp on Friday night, posting a flying 29.06, clearly the fastest of the eight run-offs.

Eyeing a staggering sixth group race victory in Friday night's Melbourne Cup – a race that captures the attention of the entire greyhound racing world – victory will see Zambora Brockie's prizemoney earnings swell to \$850,000 and spiral him to fourth in the all-time highest stake-earners.

Trainer Anthony Azzopardi was happy enough at Sunday morning's box draw.

"I would have preferred to draw inside Worm Burner (box 2) but I'm happy enough, he'll be right," Azzopardi offered. Powerhouse Queensland chaser Outside Pass – the only bitch to make Friday night's final – will start from box six for leading trainer Tony Apap.

The daughter of Head Bound couldn't have been more impressive in her 29.13 heat success on Friday night, following up her outstanding second behind Zambora Brockie in the Group 2 Shootout a week earlier.

In fact, Outside Pass is no stranger to chasing home Zambora Brockie, finishing a length second to the superstar sprinter in the Group 1 Winter Cup at her home track, Albion Park, in July.

Queenslanders will be represented by two runners on Friday night with the Darren Russell-trained Tripum continuing his rich vein of form with a slick 29.52 heat display – showing his customary early dash.

Recent winner of the Group 2 Lismore Cup, the son of Collision has drawn box four for Friday night's bumper finale.

In what's shaping up as one of the most intriguing Melbourne Cups on record, boom youngster Barton Bale has drawn the prized rails alley, looking to deliver the Wheeler family three consecutive Cup victories, following Dyna Double One's heart-stopping win over Fernando Bale in last year's epic finale. A year earlier in 2014, Dyna Villa scored in emphatic fashion, defeating Chica Destacada by two-lengths in 29.36.

Simply electric early in scoring over Dyna Boomer on Friday night by the narrowest of margins, Barton Bale will line-up in the Cup finale at just start 12, looking to continue the huge impression he's created in recent times for trainer Blake Shillington.

South Australian star, reigning National Sprint Champion Worm Burner, will take his place in Friday night's Melbourne Cup from box two for trainer Cameron Butcher and may well hold the key to the race.

Beginning beautifully for his 29.30 heat success, the son of Oaks Road will want to stay off the track, which makes his beginning crucial to not only his prospects but those around him.

New South Wales' hopes will be firmly pinned on Jason Mackay's crack sprinter Ando's Mac who registered a hard-fought heat win in 29.64.

*Continued Page 2...*

Recent winner of the Group 1 Vic Peters Classic at Wentworth Park, the son of El Grand Senor should derive plenty of benefit out of Friday night's win and has been installed at about the \$7.50 mark for the decider.

Trainer Terri-maree Smith will be eyeing her biggest thrill in greyhound racing when her pride and joy Jesaulenko takes his place from box eight in Friday night's premier greyhound event.

A narrow 29.31 heat winner off the rails on Friday, staving off the challenge of Blazin' Bomber, the son of College Causeway is capable of posting flying sectionals and isn't badly drawn in box eight, with so much speed and pressure drawn underneath.

Jamie and Brooke Ennis will be represented in the final by their promising youngster Matt Machine, who has drawn unfavorably in box seven.

The baby of the field at just 26 months of age, Matt Machine is progressing through the grades in wonderful fashion, winning eight of his 19 starts.

The son of imported sire Sh Avatar used box one to perfection in his 29.39 heat victory and a big future awaits regardless of Friday night's result.

- 2008 Prizemoney increased to \$175,000 to the winner. WA chaser Surgeon wins the cup in a sensation after marring the leader Hanify's Impact in the last 20 metres. The winner was Darren McDonald's third Cup success and second in succession.
- 2009 Popular husband and wife team Jenny and Jon Roberts were overjoyed with emotion when their hard chasing black dog Lord Ducal took out the cup in a fast 29.53. The Bombastic Shiraz sprinter was from a long line of the Roberts own breed and he defeated a star studded line up to land the big prize.
- 2010 El Grand Senor secured the third Group 1 victory of his stellar career with a brilliant win in 2010 Cup. Backed into \$1.70 favoritism he would start one of the shortest priced favourites in the race's 55 year history, El Grand Senor sent a shudder through the large crowd as he was beaten out of the boxes by Dee Winter and Dyna Obelia. However the leviathan 39kg son of Where's Pedro showed a tremendous turn of foot, accelerating through a narrow gap to find the lead through the first turn and open up a race winning margin down the back straight. El Grand Senor then powered to the line in 29.55, defeating Symmetry by 6.25 lengths with Dee Winter a further two lengths away third.
- 2011 Andrea Dailly claimed her first Solo Melbourne Cup at Sandown Park when Dyna Tron led all the way to win Australia's most prestigious race in a race record 29.21 seconds. In front of one of the largest crowds seen in recent years, Dyna Tron (\$4.20) jumped brilliantly to lead Shereen Bale (\$3.50) through the first turn and soon established a four length margin entering the back straight. Shereen Bale chased valiantly to trim the final margin to 2¾ lengths, but could do no more as Dyna Tron etched his name into greyhound racing history.

- 2012 In an extraordinary leap in prizemoney the Cup became the undisputed richest Greyhound race on the planet when the club announced it would increase the first prize to a whopping \$350,000 to the winner. With subsequent place money adjusted as well it brought the total race stake to half a million dollars. The numbers would have only been a pipe dream 10 years earlier but progress within the industry in Victoria had seen a rapid development in all areas of the sport. Diminutive chaser Got A Moment created history when she claimed victory in the shadows of the post to record a memorable win. Trained by leading Victorian mentor Jason Thompson Got A Moment only arrived in the Thompson kennel eight weeks before the cup. She had been sent down from Queensland by owner/breeder Dianna Buxton on the recommendation of mutual friend, Reg Kay. Thompson knew from the moment she arrived he had something special. Got A Moment took the lead down the back straight and led for the run home with champion Queenslander and race favourite Glen Gallon getting clear and looking like the winner but she wasn't to be denied and held off the challenge to record a fairy tale win for her excited connections.
- 2013 Black Magic Opal cemented his place amongst the nation's great sprinters with an emphatic all-of-the-way victory in the 2013 TAB Melbourne Cup. Sent to the boxes an easing even money favourite, the son of Magic Sprite began well to lead clearly through the first turn and from there was never challenged, charging to a 2.5 length victory in 29.37 seconds. Purchased for a reported six figure sum, Black Magic Opal proved a most astute acquisition and re-paid his connections faith by claiming greyhound racing's biggest prize.
- 2014 Dyna Villa etched his name into greyhound racing folklore with a brilliant win in the 2014 \$600,000 Group 1 TAB Melbourne Cup. Unbeaten in three starts from box 8, Dyna Villa began brilliantly to cross the stellar field and lead through the first turn. As the rest of the pack settled Dyna Villa shot clear, opening a six length break over his rivals down the back straight in what proved to be a race winning break, stopping the clock in a slick 29.36 seconds. First prized increased to \$420,000.
- 2015 Dyna Double One (\$4.10) upstaged his kennel mate Fernando Bale in what will long be remembered as one of the greatest TAB Melbourne Cups ever run. Seeking an unprecedented ninth group 1 title in what was widely touted to be his final start, Fernando Bale (\$1.40) stunned everyone when for the first time since July, he missed the start and was slowly away from the boxes. However he soon showed his trademark dazzling turn of foot, and with a huge roar from the crowd, charged through the first turn four-wide before crossing the field and leading by three lengths entering the back straight. Dyna Double One had similarly began only fairly before railing strongly through the first turn and setting off in pursuit of his more fancied kennel mate, setting up the race that greyhound fans everywhere had longed to see. With their rivals left behind, the race became a match race between two of the greats of the modern era. Dyna Double One closed in on Fernando Bale turning for home only for the champ to respond and in a thrilling run to the line, Dyna Double One finally nabbed his rival to land the world's richest greyhound race by a neck in a new race record time of 29.17.

**Last Year's exciting finish with Dyna Double defeating his kennelmate Fernando Bale**
