Little Bit of Magic

By Michael Floyd

Jason Thompson is aiming for back-to-back TAB Melbourne Cup wins after kennel star Black Magic Opal's record breaking win in tonight's heats.

Black Magic Opal pinged from box 6, setting a new first split record and equalling the second the split mark before racing to record his sixth consecutive win. The dual Group 2 winner stopped the clock in a slick 29.41 and is sure to gain great benefit from his first 515m run since July.

Shifty Sticka won his way through to next week's \$500,000 final with an impressive win in 29.54. Paul Anderson's pup, the youngest greyhound in the series, has been placed in each of his 19 career starts – winning 11 – and attracted considerable interest from punters when he opened at \$31 to win the Cup.

The oldest greyhound in the series, Proven Maddy, also won his way through to the final after capitalising on his rails draw to win in 29.43. Trained by Wayne Vassallo Proven Maddy has an impressive record of six wins from 14 starts at the Lightwood Road venue, and the fastest best time around the track at 29.14.

Peter Rocket powered into an eight Group final for Keith Hellmuth after winning his heat in 29.43, and will be joined by Robert Britton's Iona Seven, winner of the night's opening heat in 29.51.

Kiss Me Ketut backed up his win in last week's Ready2Race auction final with an impressive Melbourne Cup heat win in 29.57, while Andrea Dailly has two chances to claim a second TAB Melbourne Cup with Hawk Alone (29.49) and Dyna Beth (29.70) securing their berths in the final.

GROUP ONE – TAB MELBOURNE CUP \$350,000 to the winner

**Shifty Sticka**

19 starts 11-5-3 (\$48,860)

Premier Fantasy – Irish Malt

White & Black Dog December '11

Owner: **Anthony McVicker**Trainer: **Paul Anderton****Sandown Best:** 29.50 (4) (4 Starts 3-1-0)

Exciting young talent, he has improved with each start heaps of early pace. Missed the start last week when he went to leave early but knuckled down to the job and got home very well for a solid win. Perfect draw, he is a big chance if he can lead perhaps or tack onto the favourite and find a good position in running. Great winning chance talented and in great form going into the race.

**Black Magic Opal**

33 starts 26-4-0 (\$146,835)

Magic Sprite – Awesome Opal

Black Dog May '11

Owner: **Black Opal Syndicate**Trainer: **Jason Thompson****Sandown Park best:** 29.41 (6) (3 Starts 2-0-0)

Star performer with a super record 26 from 33 including track records and the like. Hasn't disappointed connections after large outlay to acquire him from the Hunter Valley when he was a super pup and Group 2 winner. Extremely short odds pre post after a solid performance to win his heat in the fastest time. Very quick box dog and went sensational record time to the first split 4.90 last week. Expected to lead and win at \$1.65 seems a little cramped. Trainer has an amazing record at this level going for back to back wins.

**Proven Maddy**

53 starts 23-8-5 (\$112,520)

El Galo – Proven Lilly

White & Black Dog February '10

Owner: **McGrath Syndicate**Trainer: **Wayne Vassallo****Sandown Park best:** 29.14 (2) (14 Starts 6-1-0)

Solid seasoned campaigner he has won 23 and 13 from 53. Good record on the track with six wins and a best of 29.14 went well last week from the red to run 29.43 a similar time to the other heat winners. Draw is okay and he is certainly one of the chances as long as he can find good position at the first turn.

**Kiss Me Ketut**

34 starts 15-6-5 (\$105,450)

Bombastic Shiraz – Spiral Siyan

Black Dog August '11

Owner / Trainer: **David Burnett****Sandown Park best:** 29.46 (6) (9 Starts 4-1-1)

Success story of the Ready to Race concept a bye back at last year's event 12 months ago and after winning that race final two weeks ago won his heat of the Cup last week in fine style, holding off a fast finishing Xylia Allen no less. No the best of draws here with a bit of speed drawn on his inside. Still he's a handy type who needs a bit luck in running. Place chance best.

**Hawk Alone**

32 starts 13-9-4 (\$98,620)

Westmead Hawk – Glamorous Jade

Black Dog August '11

Owner: **Mark Rogers**Trainer: **Andrea Dailly****Sandown Park best:** 29.38 (2) (7 Starts 4-1-1)

In great form going into the Cup having won his last three starts on the track. Big run in the heat last week to overcome some trouble and race away with a top win. Box draw not the best and he'll have to do everything right to win. Place chance looks best, is racing well.

Peter Rocket

52 starts 21-7-14 (\$269,605)

Where's Pedro – Belron Blue

Black Dog August '10

Owner: Lisa Hellmuth

Trainer: Keith Hellmuth

Sandown Park best: 29.43 (3) (15 Starts 6-1-6)

Talented chaser he led the Top Gun for a long way before finishing second to Dyna Nalin. Great record on the track with six wins and seven placings from 15, he recorded his best winning time in last week's heat. Draw no help but he is a class dog with a big following. Place chance looks best.

Dyna Beth

20 starts 9-2-1 (\$44,320)

Surf Lorian – Marzeena Bale

Red Brindle Bitch October '11

Owner: Brendan Wheeler

Trainer: Andrea Dailly

Sandown Park best: 29.59 (5) (8 Starts 4-1-0)

Honest type she was an unexpected winner of last week's heat. Second finalist for the Daily camp and only dog owned by the Wheelers. Hard to see her trouble this lot at this stage of her career but has done a fine job to make the final. Will be big odds.

Iona Seven

34 starts 12-10-2 (\$72,810)

Swift Fancy – Iona Habit

Black Bitch April '11

Owner: Michelle Sidrak

Trainer: Robert Britton

Sandown Park best: 29.18 (6) (9 Starts 6-1-0)

Returned to top form in last week's heat with a solid performance from the inside draw. Has made a Group 1 Adelaide Cup and her record here at Sandown is very good, six wins from nine starts with a best of 29.18. Will have to do plenty right from box eight but is a chance if she can begin well and find a position near the leaders. Solid chance with a bit of luck.

Gold Town

69 starts 21-17-8 (\$183,210)

Surf Lorian – Golden Gwen

Runner up last week to the favourite Black Magic Opal, fantastic run spotted the leader eight lengths down the back and was beaten less than a length. Quality chaser has a chance of causing an upset if he got a start.

Buckle Up Mason

55 starts 31-11-3 (\$190,970)

Royal Riddle – Trinity County

Honest FFA greyhound finished second last week to Proven Maddy. He is a much improved chaser but it would be hard to see him trouble this lot. Would be big odds if he gained a start.

Local expert's selections for the final are as follows.

Ron Hawswell

1st Black Magic Opal

2nd Shifty Sticka

3rd Proven Maddy

- 2008 Prizemoney increased to \$175,000 to the winner. WA chaser Surgeon wins the cup in a sensation after marring the leader Hanify's Impact in the last 20 metres. The winner was Darren McDonald's third Cup success and second in succession.
- 2009 Popular husband and wife team Jenny and Jon Roberts were overjoyed with emotion when their hard chasing black dog Lord Ducal took out the cup in a fast 29.53. The Bombastic Shiraz sprinter was from a long line of the Roberts own breed and he defeated a star studded line up to land the big prize.
- 2010 El Grand Senior secured the third Group 1 victory of his stellar career with a brilliant win in 2010 Cup.

Backed into \$1.70 favouritism he would start one of the shortest priced favourites in the race's 55 year history, El Grand Senior sent a shudder through the large crowd as he was beaten out of the boxes by Dee Winter and Dyna Obelia. However the leviathan 39kg son of Where's Pedro showed a tremendous turn of foot, accelerating through a narrow gap to find the lead through the first turn and open up a race winning margin down the back straight. El Grand Senior then powered to the line in 29.55, defeating Symmetry by 6.25 lengths with Dee Winter a further two lengths away third.

2011

Andrea Dailly claimed her first Solo Melbourne Cup at Sandown Park when Dyna Tron led all the way to win Australia's most prestigious race in a race record 29.21 seconds. In front of one of the largest crowds seen in recent years, Dyna Tron (\$4.20) jumped brilliantly to lead Shereen Bale (\$3.50) through the first turn and soon established a four length margin entering the back straight. Shereen Bale chased valiantly to trim the final margin to 2¾ lengths, but could do no more as Dyna Tron etched his name into greyhound racing history.

2012

In an extraordinary leap in prizemoney the Cup became the undisputed richest Greyhound race on the planet when the club announced it would increase the first prize to a whopping \$350,000 to the winner. With subsequent place money adjusted as well it brought the total race stake to half a million dollars. The numbers would have only been a pipe dream 10 years earlier but progress within the industry in Victoria has seen a rapid development in all areas of the sport.

Diminutive chaser Got A Moment created history when she claimed victory in the shadows of the post to record a memorable win. Trained by leading Victorian mentor Jason Thompson Got A Moment only arrived in the Thompson kennel eight weeks before the cup. She had been sent down from Queensland by owner/breeder Dianna Buxton on the recommendation of mutual friend, Reg Kay. Thompson knew from the moment she arrived he had something special.

Got A Moment took the lead down the back straight and led for the run home with champion Queenslander and race favourite Glen Gallon getting clear and looking like the winner but she wasn't to be denied and held off the challenge to record a fairy tale win for her excited connections.

GROUP ONE – Solo Bold Trease Carnival Cup \$100,000 to the winner

Destini Fireball

52 starts 23-8-5 (\$506,620)

Where's Pedro – Grey's Destini

White & Black Dog March '10

Owner / Trainer: **Norm Rinaldi**

Sandown Park best: 42.04 (4) (6 Starts 2-1-0)

Multi Group winner, he is racing a fair bit off his best, hasn't won since July but must be respected due to his record. Finished second in his heat last week to Sweet It Is when run over in the final stages, has been a mighty stayer but a place chance looks best here.

Lucy Wires

17 starts 9-3-2 (\$69,770)

Flying Penske – Okgo Box To Wire

Dark Brindle Bitch March '11

Owner: **Geoff Collins**

Trainer: **Robert Britton**

Sandown Park best: 41.88 (4) (3 Starts 2-1-0)

Imported bitch that has made an impression on the staying ranks in her short career so far. Came into the race with a Group 3 win in the Sydney Cup and was lucky last week when all sorts of trouble broke out nearing the home turn. She took the break on offer and got home well to win for favourite backers and gain a start in her first Group 1. Will probably start favourite and go close.

Cheetah Zorro

56 starts 13-11-10 (\$46,085)

Bombastic Shiraz – Fallen Zorro

Black Bitch August '10

Owner: **Garity Heawood Syndicate**

Trainer: **Robert Britton**

Sandown Park best: 42.30 (3) (5 Starts 2-1-1)

She has won two of her last three starts here improving her time last week to a respectable 42.30. Was handy to the lead most of the way and got home late for solid win. She is another that is in with a chance in an open final been around a bit without setting the world on fire but record is sound enough. Place chance best.

Hurricane Isaac

56 starts 12-12-12 (\$52,197)

Paddy's Flame – Amity Rose

Black Dog February '11

Owner / Trainer: **Anthony Flores**

Sandown Park best: NBT (2 Starts 0-1-0)

Litter brother to Amity Flame he's an honest type without ever matching it with Group stayers and has certainly been a bit overshadowed by his brother, best around 600. Steady run last week when second to Cheetah Zorro led for a long way and was outstayed in the finish. Place chance looks the best bet.

Amity Flame

39 starts 10-6-5 (\$88,645)

Paddy's Flame – Amity Rose

Black Dog February '11

Owner / Trainer: **Anthony Flores**

Sandown Park best: 41.91 (3) (9 Starts 2-1-2)

Handy stayer with a good record here was the fastest heat winner last week in 42.17 and has won here also in a fast 41.91. One of the main chances in an open final he has performed well at this level and with luck in running should be in the firing line at the finish. Like a few gets back and comes home late, best work at the end of his races.

Hala Belle

23 starts 6-5-3 (\$26,625)

Where's Pedro – Aussie Belle

Black Bitch August '11

Owner: **Peter Akathiotis**

Trainer: **Joe Borg**

Sandown Park best: NBT (1 Starts 0-1-0)

Another inexperienced young stayer made the Group 1 Hume Cup final over 600 at the Meadows and finished second last week to Lucy Wires in the trouble laden heat where the back markers in the straight found themselves with chances in the run home. A stayer with a future this might be up in class for her at this stage of her career. Might be one for the trifectas' has been well supported in most of her starts.

Freddy's Smile

35 starts 8-8-6 (\$20,720)

Bombastic Shiraz – Midnight Move

Black Dog October '10

Owner: **Weekes Elniz Syndicate**

Trainer: **Michael Carter**

Sandown Park best: NBT (1 Starts 0-1-0)

New South Wales stayer now with Victorian trainer he finished second last week to Amity Flame in a solid run followed the winner most of the way running past the leader in the home straight. Don't think he can trouble the fancied brigade however it's a big thrill for connections to make a Group 1. Place chance best.

Sweet It Is

14 starts 2-0-2 (\$10,785)

Mogambo – Off Springer

Black Bitch November '11

Owner / Trainer: **Len Jones**

Sandown Park best: 42.28 (6) (1 Starts 1-0-0)

Youngster just turned two picked the right night to bring up her maiden city win over 700, at her first attempt at Sandown in last week's heat. Flooded home late at \$46.00 to upstage some big names and make her way into a Group 1 at start number 15. Off last week's win she is an outside chance and is certainly an improver with a future. Place chance looks best.

Newfire Riley

79 starts 7-13-14 (\$42,890)

Just The Best – Miss Brook

Solid local stayer that finished third in last week's heat behind Sweet It Is, hard to see him trouble this field if he gains a start.

Gold Affair Two

32 starts 8-4-3 (\$23,335)

Collision – Starfire Lee

Another honest local stayer she finished third last week behind Amity Flame will start big odds if she gains a start.

Local expert's selections for the final are as follows.

Ron Hawswell

1st Amity Flame

2nd Lucy Wires

3rd Destini Fireball
