“Fabulous Group One Sprint final in the West”

The Group 1 Sky Channel Perth Cup final promises to be a classic contest after last Saturday's top class heats. Star sprinters from four states have found their way into the rich final with Sunday night box draw providing an interesting mix and a number of chances for Group 1 glory. Fastest heat winner Size Can Matter will have his work cut out from box four, but the Queenslander is quick early and has taken an instant liking for the Cannington circuit with two wins from as many starts. Victoria is well represented again with sprinters from the southern state winning the last seven Perth Cups. Their main chance to make it eight appears to be the well drawn Proven Alias. He has box one and is in career best form leaving the boxes quicker than he ever has before. Adelaide Cup winner Whippy's Image returned to the winners circle with an impressive heat win leading all the way from box six, however she will have to begin quickly again in the final from the dreaded box five if she is to add another Group one trophy to the mantelpiece. All in all with \$125,000 to the winner the big final out west is going to be some race.

The brilliant Whippy's Image will start from box five

Well prepared by Reg Kay and has an abundance of early speed something he will have to employ from box four. Racing well and a big chance with some luck at the first turn he certainly solid claims.

Solve The Puzzle – Twirly Girl

Black Bitch February '06

Owner: **Dennis Reid**

Trainer: **Jason Thompson**

Cannington best: 30.29 (6) (2 Starts 1-0-0)

Star sprinter with a super record, a big race campaigner with a Group 1 under her belt winning the Adelaide Cup in January. Looked good in her heat last week when she jumped on the lure and lead all the way, box five no help here, however she appears to race better the further out she draws has the talent and ability to win.

Torque Bale

93 starts 28-19-11 (\$107,360)

Brett Lee – Ashton Bale

Black Dog September '04

Owner: **Gary & Craig Weston**

Trainer: **Linda Britton**

Cannington best: 30.15 (5) (23 Starts 10-3-3)

Smart local sprinter with ten Cannington wins to his credit, held on well to cause a minor boilover in his heat when the much more fancied Talk's Cheap failed to run him down. Will need a few things to go his way from box six and will start nice odds to win the final. Might just be out of his class but did a good job in the heat, place chance best.

Surf Lorian – Roxy Reason

Blue Brindle Bitch March '05

Owner / Trainer: **David Robartson**

Cannington best: 30.12 (7) (4 Starts 4-0-0)

Another star campaigner from Queensland that has won 32 races, already a Group 2 & 3 winner here after winning the Interstate Challenge two weeks ago. She has the perfect record on the track with four from four. Has never raced better for former WA boy Dave Robartson and a win would not surprise one of the many winning chances.

Token Prince – Eriskay

White & Black Dog March '05

Owners: **Steven Goldsack**

Cannington best: 30.11 (6 Starts 3-2-0)

Making his second cup after finishing fourth last year behind Betty's Angel a honest big race performer who has yet to taste Group 1 success but a very capable seasoned campaigner from New South Wales. Has three wins at Cannington and a best time of 30.11 will need some luck in running but certainly a winning chance.

Talk's Cheap (VIC)

24 starts 11-3-5 (\$54,215)

Spiral Nikita – Leprechaun Yap

Brilliant sprinter that finished second last week to Torque Bale would have claims if he gains a start.

The History of the Perth Cup

In the 35 years since Dennis Calleja's greyhound Marcus Rate took out the first running of the *W.A. Gold Cup*, as it was then known, the Sky Channel Perth Cup, has developed into one of the country's most important group one classics. His first prize of \$1300 pales when compared to the \$120,000 on offer to the winner of this year's cup on April 28th.

The race has had a number of sponsors over the years and was known as the Brownes Gold Cup from 1976 to 1986. In 1987 it was called the Australis Mining Gold Cup, in 88 it was the Fairplay Gold Cup then from 1989 until 1992 it was called the Winfield Gold Cup. In 1993 a long sponsorship begun with Be Active and it was known as the Be Active Gold Cup in 1993 and 94 before being called the Be Active Perth Cup until last year when the club welcomed their new sponsor Sky Channel.

The Sky Channel Perth Cup has an honour role the envy of many, with some of the nation's top performers claiming the trophy.

While local dogs have at times had their fair share of success, more often than not in the last two decades the winner has been the best-performed chaser in the country at the time.

Possibly the best dog to have raced in the West enjoyed a stella run of success at Cannington in 1998. Jane Carruthers arrived in town for the big race that year with the mighty Rapid Journey. He had just won the Golden Easter Egg in Sydney and was keen for more Group One success.

That year local star Reggemite didn't let his fans down when he ran a slashing 30.54 in his heat. He had the crowd buzzing with his near track record run, but then Carruthers unleashed her brindle sensation on Cannington bettering Reggemite's time by a neck and equalling his track record of 30.52 in an awesome heat winning display.

Rapid Journey dominated the final of '98 and justified the second shortest odds offered in Cup history winning by almost 8 lengths at the quote of 1/3. Later in 1998 he again showed his liking of the Cannington 530m by returning and claiming the National Sprint Championship.

It was apparent in 1994 that having the best dog in the country was no guarantee of conquering one of the Nation's toughest sprint challenges. Star Queenslander Worthy Reward smashed the track record in his heat win that year and backed it up with a faultless display in his semi-final. Although drawing poorly in six he was sent out a 2/5 favourite but found trouble and was no match for the Troy Provost trained Just Like Whiskey who held off the fast finishing Worthy Reward to win by two lengths.

Harry Sarkis ventured west in 1996 fresh from taking out the Easter Egg with his smart black bitch Tenthill Doll. Harry showed his confidence early by supporting his bitch heavily in the traditional Calcutta and she didn't disappoint equalling the track record in her heat. When she drew the cherry in the final, bookmakers sent her out the shortest priced favourite in history at 2/7. The race was never in doubt and she cruised in to beat Jurassic Vapour and top local bitch Storm Act.

Seven of the last nine winners have come from interstate. Victorian Amy's Doll remained undefeated in the series when she claimed the trophy in 1993 for young trainer Paul Mills. Paul enjoyed a great visit that year also qualifying City Success for the final and was to become a regular over the next few years at Cannington as he tried to recapture the Cup.

Queensland had won the first of its two Perth Cups in 1987 when Pretty Fearless out kicked Scot A Win in one of the closest finishes on record, and claimed its second cup in 1995 with the Michael Zammit prepared Brisk Bill.

That same year a super smart local bitch by the name of South Georgia was emerging and many thought she had the speed to match Brisk Bill in the final. She led them into the back straight but could not hold on as Brisk Bill raced away for a convincing win over another visitor Baltusrol with South Georgia a gallant third.

Star Tribute for Dave Irwin overcame box eight with a barnstorming finish to win in 1997. That year NSW dog Welsh Duo put in a slashing performance in the heats and after drawing box one was expected to jump a short-priced favourite in the final. In possibly the most sensational incident in Group One racing, the stewards at kennelling, due to weight variation, scratched Welsh Duo.

Marcus Rate's 1976 annihilation of the field stands as the second biggest winning margin in Cup history.

It would take another 14 years before his winning margin of 10 lengths would be bettered. It was broken in 1990 when one of the smartest bitches to race at Cannington finally emerged from the shadow of her famous litter sister. Sand Pebble, trained in the hills east of Perth by Ron Timms, won the first Gold Cup of the nineties by an emphatic 10-³/₄ lengths to easily hold off Grant Langston's Quit and her mighty sister Sandi's Me Mum. Sand Pebble's race career was cut short by injury but many who saw her run remember her as the equal of Sandi's Me Mum in ability.

Perhaps the most remarkable Perth Cups came in the two years following Sand Pebbles win.

Frantic Night was purchased for \$200 by a group of owners headed by Billy Choules shortly before the 1991 series. He was not fancied in either the heat or semi final but made his way through to the final, drew the checks and the rest is history. A bad scrimmage on the first turn allowed him to rail through and pinch the race as a rank outsider with the celebrations from exited owners continuing for many days.

In 1992 the Cup was run as Perth experienced its wettest February day on record. Former Victorian chaser Wynlee Supreme ploughed through the bog to win in the slowest time in history. His win as a 50-month old dog also made him the oldest winner of a Perth Cup. The conditions were so bad that officials had to cancel the last race on the program when the sea of water on the infield made it impossible for the below ground lure system to operate.

Wynlee Supreme gave trainer Linda Britton her biggest win in the sport and was to be the first of two wins in the race. She qualified four runners for the final in 1999 with all eyes on the superstar Reggemite.

In a major shock Reggemite began well but was injured driving into the first corner, he battled on strongly to finish fourth but sadly it was the last time he was to race at Cannington. Britton trained the quinella that year as Bliss Bale held off kennel mate Shirdon's Alarm to win by a half length.

Nifti Fire went into the first Perth Cup of "the naughties" as the form greyhound for popular trainer Jodie Harding. When he drew the cherry in the final, many thought the race was as good as over. As luck would have it, Nifti Fire

began only fairly and copped a buffeting going into the first turn. His chances looked remote going down the back straight but he showed great fighting qualities to get up in the last bound to grab the 2000 Cup.

Grant Langston dominated training ranks in the late eighties and early nineties qualifying three runners for the final on four occasions. He managed to win the race only once. Miss Crisp will always be remembered as the bitch that took out the last Cup run on grass at Cannington. She began brilliantly from the white and was never troubled in beating the croweater Faust's Legend in quick time. She'll also be remembered as the mother of Paradise Street, the best stayer produced in the West and a three-time winner of the State Distance championship and National Champ in 1998.

In 2001 Graeme Bate sent over the brilliant Kantarn Bale for the series and he quickly emerged as Cup favourite with dashing wins in the lead up Interstate Challenge and Perth Cup heat. He drew well in box two in the final but totally bombed the start and ran a remarkable race to finish second to the Jason Thompson-trained Sammy Mint.

Sammy Mint had qualified with a tough-as-teak performance from box six in his heat. When Thompson drew out the envelope to give his dog the coveted rails in the final, he knew he had the chance to end Sammy Mint's racing career with a Group One victory. He was right as Sammy Mint easily held off Kantarn Bale and hometown favourite Cobram Storm.

The 2002 cup saw group one success for Victorian super sprinter Modern Assassin often the bridesmaid in the many major finals he gave nothing else chance after sweeping to the front at the first turn and led from that point on to win in 30.60. Favourite was the all conquering Carlisle Jack who had breezed into town to take the Interstate Challenge in track record time and after a brilliant heat win he was all the rage for the final but early trouble after a slow start left him near the rear and struggling. Trained by Mary Mugavin-Brown the Perth Cup was a highlight of a stellar career for the talented black chaser.

Outstanding Gippsland sprinter Elgrando had been most unlucky not to snare a Group 1 victory in 2002. Travelling to the West in 2003 in search of the Perth Cup, the "big fellow" showed a distinct liking for the Cannington circuit. After a brilliant heat win, he made a sweeping run down the back straight in the final to claim the leader Rifle Street in the shadows of the post. The \$60,000 first prize took his stake tally to over \$184,000. Elgrando trained by Carolyn Jones was one of five Victorians to make the final.

Victoria provided the winner of the Perth Cup for the fourth time in succession in 2004. Many were surprised by the performance of relatively unknown sprinter Kilby Supreme when she gave some of the big names a run for their money. Her star was to shine brightly as the speedy black bitch made Cannington her own not only accounting for a top class field but taking a big chunk of the 530 metre track record in the process. It was a tremendous thrill for Victorian trainer Elaine Vigor with Kilby Supreme becoming her first Group One success and she shared the night with "Kilby" owner popular MGRA employee Jackie Davis.

A well deserved Group One glory was finally posted by Sun Hero in the Perth Cup of 2005. The Andrea Dailly trained super sprinter had made nineteen group finals, with his closest finish at Group One level being third in the Paws Of Thunder of 2004.

It was a happy return to Perth for former Sandgropers Tom and George Dailly who had been introduced to the sport by their late father, George Senior. The Perth Cup was proving easy pickings for Victorian trainers with Sun Hero's win the fifth in succession. It was also a big "V" trifecta with Go Forever finishing second and Black Lee third.

2006 and Greyhounds WA were delighted with a spectacular evening of greyhound racing. A record crowd in excess of 5300 the biggest ever assembled at Cannington since the opening night back in 1974. Victorious in the big final was up and coming Victorian sprint sensation Superman after establishing a new track record in his heat win Superman begun well from box seven and finding the front early he careering away to win comfortably from fellow Victorians Trewly Special and Pororoca.

That brought us to last year's Cup when superstar Victorian sprinter and reigning AGRA Australian Greyhound of the Year Betty's Angel captured the Sky Channel Perth Cup with a brilliant win.

Beginning well from box 1 Betty's Angel (\$1.80) was beaten for the early lead by the locally trained Decathalon (\$26.10) he held that advantage through the first turn and down the back, with "Betty" in hot pursuit. Unfortunately at the first turn youngster Kostic Burns fell heavily causing havoc for a number of finalist's behind the two leaders.

Decathalon was still in front into the home straight and for a fleeting moment looked like winning, but the last section has always been Betty's Angel's best and she raced past Decathalon going on to win by one length and three quarters with Brother Knows (\$29.80) seven back in third, time for the final was 30.47.

The outstanding Betty's Angel winning the cup last year

In 36 times the Perth Cup has been staged winners have come from every corner of the country. Victoria leads the way with eight from New South Wales with six victories, four from South Australia (all in the eighties) and two from Queensland making Western Australia's showpiece a Group One race of National importance.

Trainer: **Robert Britton**

Cannington best: NBT (1 Starts 0-1-0)

Honest front running stayer that's has performed well in Victoria for Rob Britton. Nice draw in box one will help her chances. Would have to open up a winning break to be a winning chance but has a lot of ability.

Solve The Puzzle – Arenia Miss

White & Black Bitch October '05

Owner: **Lorraine Atchison**

Trainer: **Kelvyn Greenough**

Cannington best: NBT (2 Starts 0-1-1)

Handy New South Wales performer that is racing well for Kel Greenough has been placed at her only two Cannington starts. Is certainly one of the chances if she can stay in touch with the leaders. Was runner-up to Chinatown Lad last week and it would be hard to see her turn the tables this week place chance best.

Elektra

80 starts 23-21-10 (\$151,745)

Primo Uno – Natural Class

Black Bitch

February '04

Owner: **K & D Harding**

Trainer: **Keith Harding**

Cannington best: 41.76 (1) (19 Starts 11-7-0)

A quality stayer that has enjoyed a new lease on life since going to the west. She has won 11 races on the track and will be flying home at the end in her usual racing pattern. Hard to see her winning it but she is capable of causing an upset, place chance at best.

Stately Bird – Crazy Habit

Brindle Bitch

October '05

Owner: **Greg Dwyer**

Trainer: **Peter Sayer**

Cannington best: 41.84 (2) (5 Starts 1-1-0)

Young up and coming stayer that was runner-up in her heat to Speedy Lino last week in 42.19. Has won in fine style on the track in 41.84, not overly racing with only 18 starts. Is an improver but would need to do everything right to win. Will start big odds.

Daphne Mavis (VIC)

16 starts 4-6-2 (\$11,870)

Hallucinate – Deloris

Brindle Bitch

July '05

Owner: **Corey Siekman**

Trainer: **Kelvyn Greenough**

Cannington best: NBT (2 Starts 0-2-0)

Young Victorian stayer and the second of trainer Kel Greenough's starters in the final. Had won some good races in Victoria but so far only two seconds in the west. She was run down by Elektra last week and would need to improve to be a winning chance place hope best.

Cannington best: 41.81 (1 Starts 1-0-0)

Very well performed Sydney stayer that was impressive first up on the track in her heat recording 41.81. Not without a chance but like most in this final may not be in the same class as the favourite. Place chance best.

Chinatown Lad (TAS)

23 starts 12-5-4 (\$51,500)

Lilli Pilli Lad – Chinatown Babe

Brindle Dog

December '05

Owner: **Katrina Gregory**

Trainer: **Shane Whitney**

Cannington best: 41.42 (Rec) (4) (3 Starts 3-0-0)

Tassie stayer that has taken all before him since arriving in the west. Smashed the track record in the Interstate Challenge and went only 4/100th slower in his heat last week. Will start odds on and rightly so looks the winner and has a bright future Australia wide. Finds the front early and chases hard breaking the hearts of his rivals. He is the only dog in the final and he appears to have the bitches at his mercy, should win his first Group one.

Speedy Lino

89 starts 16-24-13 (\$77,880)

Primo Uno - Natural Class

Black Bitch

February '04

Owner: **K. Harding & D. Harding**

Trainer: **Keith Harding**

Cannington best: 42.14 (31 Starts 4-11-6)

Made the final of this race last year and has plenty of experience on the track with 31 starts. However her best winning time is 42.14 and she would have to improve on that to have any chance will be big odds.
